## PERMIT FEES

### 1. ZONING PERMIT FEES

- A. All new homes, additions, detached garages, pools, decks, patios, fences and accessory structures are required to have a zoning permit. The Zoning permit fee for these structures shall be \$60.00.
- B. A zoning permit is also required in conjunction with every change in the use of land or structure, No-Impact Home-Based Business, Home Occupation or material improvement outside the existing building footprints.  
The zoning permit fee is \$60.00.

### 2. BUILDING PERMIT FEES, ONE and TWO-FAMILY DWELLING CONSTRUCTION

A. New home construction, \$0.40 per square foot of building or structure space, including porches, patios, basements, garages, and living areas. Crawl spaces and dead area spaces such as attics (with or without a finished floor) providing structural headroom of seven feet, six inches less than 50% are excluded. There is a minimum permit fee of \$400.00. Additional mechanical inspection fees for new homes are as follows:

- a. New electrical service <200 Amps for new home is an additional \$55.00.
- b. Electrical inspections (rough and final) for new homes total \$82.50.
- c. Plumbing inspections (rough and final) for new homes total \$125.00.
- d. Sewer & water lateral inspections for new homes total \$75.00.
- e. Adding a grinder pump to sewer lateral is \$75.00.

B. For residential additions including attached garages, the minimum building permit fee is \$250.00. Structures exceeding 800 sq. ft., including porches, attics (providing structural headroom of seven feet, six inches over more than 50%), basements, garages, and living areas, will be calculated at \$0.40 per sq. ft.

C. For detached garages over 500 square feet and accessory structures over 500 square feet \$0.36 per square foot of building or structure area (total area, each level) is charged. There is a minimum permit fee of \$150.00.

D. For private in-ground swimming pools, permit fee is \$150.00.

E. For above ground pools, wood decks building permit fee is \$100.00.

F. The building permit renewal fee is \$30.00 if additional inspection is required at the discretion of the Building Code Official.

G. Additional or re-inspections will be billed to the applicant on a per inspection basis. The fee for each inspection will be \$50.00

H. Mandated Municipal Code official training account fee for any construction or building permit package issued under the UCC is \$4.50 per project as amended from time to time by the Department of Labor & Industry.

I. Basement renovation including electrical lighting and receptacles is \$182.50.

- J. Adding an additional bathroom to a dwelling is \$50.00.
  - K. Electrical Service Upgrade or inspection for reconnection to utility service is \$55.00.
  - L. Installing an emergency generator to an existing electrical service is \$82.50.
  - M. Installing a rooftop or ground mount PV solar arrays is \$182.50.
  - N. Postage & Processing a Permit to be mailed to applicant is \$2.50.
  - O. Installing a grinder pump & lateral and abandoning the septic tank is \$175.00.
  - P. Repairing a sewer or water lateral without work in the right-of-way is \$65.00.
3. NON-RESIDENTIAL and RESIDENTIAL other than ONE and TWO FAMILY USES  
(Plumbing Inspection Fees and Mechanical Inspection Fees are included and will be listed on the building permit. Electrical Inspection Fees are additional and are \$55.00 for each rough inspection and \$27.50 for final inspection.)
- A. New Construction (Buildings and Additions) \$1.00 per sq. ft.
  - B. Alterations, Renovations, Change of Use or Occupancy and Tenant Fit Outs
    - First 1- 10,000 sq. ft. \$0.50 per sq. ft
    - Remaining Area over 10,000 sq. ft. \$0.35 per sq. ft.
  - C. Miscellaneous construction (discretion of Building Code Official only)
    - a. 1.% of the cost of construction
  - D. Building Code Plan Review
    - a. Included in permit fees above when applying for permit
    - b. \$75.00 per hour when requesting preliminary review
  - E. Change of Occupancy (applies to all commercial changes whether or not it is a change of occupancy classification.) \$200.00
  - F. Mandated Municipal Code Official training account fee for any construction or building permit package issued under the UCC is \$4.50 per project as amended from time to time by the PA Department of Labor & Industry.
  - G. Temporary tent for the sale of fireworks \$500.00.
  - H. Temporary tent for other retail \$200.00.
  - I. Sprinkler system 1.5% of job cost, \$200.00 minimum.

**Building Inspection Penalties – The following penalties are in effect for all inspections required of the Building Inspector:**

Normal fee x 2 – Permits obtained as a result of a stop work order being issued and/or construction, installation, etc. that has been commenced without first obtaining a permit.  
 Exact Cost incurred by Township – Special test and/or agencies required to determine compliance with concealed construction and/or work completed prior to obtaining a permit.

Applicant may also be required to produce own approved proof of compliance.  
 (i.e. compaction test).

**SUBDIVISION AND LAND DEVELOPMENT**

**PLAN REVIEW FEES**

The applicant shall reimburse the Township for all reasonable administrative and professional expenses, including but not limited to engineering and/or consultant fees. Prior to the filing of a preliminary plan, and prior to the filing of a final plan, the applicant shall pay to the Township the appropriate non-refundable filing fee and an escrow deposit to defray the professional expenses incurred by the Township in accordance with the fee schedule adopted by the Board of Supervisors. Thereafter, as the escrow deposit for expenses incurred is expended, the applicant shall make further deposits upon notice from the Township until approval of the Plan. Upon approval of the Final Plan, the Township shall refund any uncommitted portion of the deposit remaining after expenses incurred by the Township have been paid in full by the applicant. To the engineering and legal fees required to be paid to the Township by this part, there shall be added 15% as reimbursement to the Township of the costs incurred by the Township for the collection of such fees and the disbursement of the same to the Township Engineer and Solicitor. All current fees are covered under section 308 of the Amity Township Subdivision and Land Development Ordinance.
