REPORTS

Fire Companies – The Board reviewed the April 2023 reports for Amity Fire Company and the May 2023 reports for Monarch Fire Company. Fire company representatives did not attend the meeting.

TowerDIRECT – Mrs. McGrath asked for clarification on the **Billing/Disposition Breakdown** on the May 2023 report. Mrs. Kisch stated she was aware of a resident who called with a billing issue. Brad Cosgrove, TowerDIRECT, confirmed they were having issues with their billing company and would reach out to the resident to help get the services covered or write off the charges. Not being sure the billing issue was related to those numbers, Mrs. Kisch stated she would reach out to TowerDIRECT for further clarification of that report.

Planning Commission – Zemac Acquisitions, LLC – Mrs. McGrath asked if there was recent progress. Mr. Weber stated there had been progress within the past 6 months, but nothing much the past 2 to 3 months. Mr. Keifrider moved, seconded by Mr. Weller to **accept the Time Extension to 10/18/2023**. Motion passed 4-0

Codes – The Board reviewed the Code Department Report and had no questions.

Roads – Mrs. McGrath asked if there was any update on the repairs for the **Case rubber tire loader**. Mr. Maguire stated the repairs were being done at Powerco because the bucket has to be up when they remove and replace the cylinders. Mr. Maguire stated they were initially told the work would be done early this week but hadn’t received a call from Powerco at the time of the meeting.

Waste Water Treatment Plant – Mrs. McGrath asked for an update on the replacement of the **aluminum water tanks** for the Vactor/Flush Truck. Mr. Maguire stated he received a quote for \$42K for parts only, and didn’t include labor. Mrs. McGrath asked if there was any update on the **substance that was dumped** causing the water at the treatment plant to turn green. Mr. Maguire stated as fast as it came in, it was gone before the source could be detected. When they returned to the plant the condition was back to normal. The plant was hit again later that same afternoon. Staff went to recent trouble locations but were unable to determine the source. Changes were made at the plant to help bring the bacteria around and the DEP was notified of the situation and steps taken by staff to resolve it. Mr. Weller asked if they were able to grab a sample for testing. Mr. Maguire stated they could get the sample, but there’s no way of knowing what to test for. Mr. Maguire reported they discovered a **rotted corrugated storm sewer pipe at 163 Valley Road**. Mr. Maguire stated the pipe is approximately 300’ long. The pipe extends onto private property and is rotting at one spot by the edge of the road, has started to sink and could lead to erosion under the road. Mr. Maguire stated Mr. Bingaman has been researching documentation of when the pipe was installed. Further information is needed before a recommendation for repairs can be made.

OLD BUSINESS

2023 Paving Projects – The paving projects were separated into two separate bids because Prevailing Wage applied to the Base Repair contract but did not apply to the Oil and Chip contract. Mr. Keifrider moved, seconded by Mr. Hackett to award the ***Base Repair Contract (PennDOT Contract 23-06203-001)*** to Construction Masters Services, LLC in the amount of \$61,292.00 and award the ***Oil and Chip Contract (PennDOT Contract 23-06203-002)*** including the Optional Bid for Indian Run to Asphalt Maintenance Solutions, LLC in the amount of \$129,760.94. The Hoekstra's have until July 8th to appeal the court's decision. ***Amity Community Park cameras*** have been installed and are connected back to the Township, visible from internal computers.

CHIEF'S REPORT

Mrs. McGrath stated it was nice to see the Officers were recognized with ***awards*** at a recent police departmental meeting. Chief Smith asked if there was anything written into the Ordinance regarding group homes. Mr. Weber stated ***group homes*** are permitted by the Zoning Ordinance but not defined within. Chief Smith stated he called Supportive Concepts regarding ongoing issues, including fights between employees of the group home and its residents, but has not received a call back. Chief Smith reached out to District Attorney John Adams who recommended he continue to try and reach someone at Supportive Concepts to address the concerns. Mr. Loomis stated group homes are permitted to have a maximum of 3 residents. Mr. Boland asked if the residents are minors. Chief Smith stated they are all adults. Mr. Boland stated adult group homes can't be regulated. Mrs. McGrath asked if one of the homes is out by the elementary school where they seem to have cars parking in the yard. Mr. Loomis confirmed the home is one of the Supportive Concept group homes. Mrs. McGrath asked Mr. Loomis to investigate the parking situation, as they shouldn't be parking in the grass.
