Arbour Green-Preliminary Plan-72 Twin Homes(age targeted)-Boyer Engineering-Telville Corporation-Old Swede Rd

Original Submission 10.14.15; expires 01.9.16

Mr. Hunsburger discussed the following items:

Berks County Planning Commission letter dated 11/05/15, Item four(4.) recommends to extend the road from this subdivision to the Rosecliff Subdivision. After review on the location it was decided this was not feasible to do. The topography and grading in the area would not make it an ideal situation for any road.

LTL Consultants review letter dated 10/06/15. Mr. Hunsburger stated most items they will comply with and Mr. Boyer and Mr. Weber agree will meet to resolve other issues. Items he did wish to review were:

1. This plan has not been submitted to Penn Dot. Mr. Boyer is preparing the submission.
2. Sidewalks are designed on both sides of the street.
3. There will be an HOA to maintain lawns, shoveling, sidewalks, etc.
4. The Recreation Fee will be further discussed. Mr. Hunsburger requested Mr. Boyer look at possible open space and pay a prorated in lieu of fee. Mr. Weber advised Mr. Boyer to prepare a definite proposal for review.
5. Mr. Hunsburger & Mr. Weber agreed to full compaction to the Utility Trench Backfill with TelVil Corporation testing and inspections by LTL provided a note is added to the plan.
