

AMITY TOWNSHIP PARKS & RECREATION BOARD

MEETING MINUTES

MAY 2, 2016

ATTENDANCE: Pam Kisch, Lisa Miller, Keith Berry, Risa Marmontello, James Kriner & parents

The meeting was held but there was no quorum.

The only topic that was discussed was an Eagle Scout project for Monocacy Hill. The Scouts name is James Kriner. He would like to build a new kiosk at the beginning of the trails. It will be made larger to cover hunting regulations. He will also be doing mulching in the picnic area. The time table for the project is late August or early September. Pillars will need to be dug. The question was brought up as to what he needs from the Rec Board and he said nothing. The mulch should be donated by Wannars.
