## The Berks History 2021 Spring Road Ramble – Saturday, May 15, 2021 [www.berkshistory.org](http://www.berkshistory.org)

The Berks History Center (BHC) invites you, your family, and friends to participate in our 2021 Spring Road Ramble on Saturday, May 15, 2021! The Road Ramble is a self guided driving tour which allows the BHC to return to its past when Mystery Road Rambles were held in the late 1980s and early 1990s.

Starting at the Berks History Center, 940 Centre Ave, Reading, PA, participants can ramble along Route 422 through eastern Berks County including historic Oley Valley and Boyertown. The BHC 2021 Spring Road Ramble takes 3 – 3 ½ hours, depending on how much time you choose to spend at the sites along the way. It covers 70 (+) miles and concludes at approx 4pm at the Daniel Boone Homestead, where we will have activities and contest prizes. Per COVID safety guidelines, please wear a face mask when entering any public areas.

We provide a BHC Road Ramble Packet including a Road Ramble Tour Booklet, a Navigator's Guide, information on our contests, activities, a narrative CD or USB, and a Berks History Center 2021 Road Ramble Participant bumper sticker. Historical contributions cover the history of the Berks History Center, Centre Park & Widow Finney, Hopewell Furnace, Birdsboro, Old Morlatton Village, Boyertown & the Boyertown Museum of Historic Vehicles, the Oley Valley, Daniel Boone Homestead, and much more.

Tickets are \$35/car for BHC Members and \$45/car for non-members. Tickets will go on sale Thursday, April 1, 2021. BHC Members must call the Berks History Center to get the member price. All others can buy tickets online at [www.berkshistory.org/event/berks-history-2021-road-ramble/](http://www.berkshistory.org/event/berks-history-2021-road-ramble/) or to purchase with a credit card, call The Berks History Center at (610) 375-4375 on Wednesdays to Saturdays from 9am – 3pm.
