

LIQUID SEWAGE SLUDGE HAULING & DISPOSAL

Amity Township will accept Sealed Bids until 10:00 A.M., prevailing time, on March 4, 2022 and will be opened publicly, immediately thereafter. Submitted bids should be in a sealed envelope clearly marked for Liquid Sewage Sludge Hauling & Disposal bid opening March 4, 2022. Specifications may be obtained from our website www.amitytownshippa.com or picked up in the Township Building Monday through Friday from 8:00 A.M. to 4:00 P.M. The Bid consists of (2) two items and we reserve the right to enter into a contract for any or all of such items. No quantities are listed on the bid sheet as these items are “as needed” with no quantities. We are requesting bids for a (3) three-year and (5) five-year term for any or all of the selected items. The Amity Township Board of Supervisors hereby reserves the right, which is understood and agreed to by all Bidders, to reject any and all Bids and to waive any omissions, errors, mistakes, defects or irregularities in any Bid. Successful Bidders will be required to execute an Agreement with the Township and provide Certificate of Insurance, naming Amity Township as additional insured. No Bid Bond required with submission of bid and No Performance Bond will be required upon award. Bid award is anticipated on March 16, 2022.

Board of Supervisors

Liquid Sewage Sludge
Hauling & Disposal

Amity Township requests proposals to remove, haul and dispose of Liquid Sludge from its Wastewater Treatment Plant located at 120 Old Philadelphia Pike, Douglassville, PA 19518, in Berks County, Pennsylvania. The Township also seeks a proposal for hauling in activated sewage sludge; and, reserves the right to enter into a contract for any or all of such options. Specific quantities are unknown and will be determined on a case-by-case basis. We are interested in a three (3) and five (5) year contract proposals for each item.

Bid Item 1 - **Liquid Sludge Disposal:** Remove and dispose of digested sewage sludge from the Amity Wastewater Treatment plant at $\pm 2\%$ solids concentration.

Three Year Bid \$ _____/gallon hauled in _____ gallon trucks.

Five Year Bid \$ _____/gallon hauled in _____ gallon trucks.

Bid Item 2 - **Activated Sludge Hauled In:** Haul in activated sewage sludge to the Amity Wastewater Treatment plant.

Three Year Bid \$ _____/gallon hauled in _____ gallon trucks.

Five Year Bid \$ _____/gallon hauled in _____ gallon trucks.

The prices quoted above shall be "complete" and shall include all labor, equipment, and supervision for the removal from OR hauled into the plant in suitable vessels, for transportation and for ultimate disposal, in a permitted manner and at a permitted/approved site. Any and all permits, approvals, and licenses which may be required to accomplish the contract provisions from the Pennsylvania Department of Environmental Protection, or any other regulatory or governmental agencies shall be the sole responsibility of the contractor.

The Township will furnish access to the plant, to the point of loading, during normal working hours. Amity Township will provide required laboratory analyses of the sludge on a periodic basis.

Please contact the undersigned if you have any questions or need additional information.

Troy S. Bingaman
Township Manager
