2022 THEMES

WEEK 1: STEP INTO THE SUMMER

Campers will spend the week meeting the counselors, making new friends, and building their camp flags to wave during inter-camp competitions!

WEEK 2: UNLOCK YOUR SUPER POWER

Campers will have many opportunities to test their skills and find their strengths. They will use their special abilities to complete challenges and exit the Y Escape Room!

WEEK 3: A MYSTERIOUS ADVENTURE

Campers will work with one another to share and analyze clues and put those detective skills to work!

WEEK 4: BURNING OFF S.T.E.A.M.

S.T.E.A.M. stands for Science, Technology, Engineering, Arts, and Mathematics. Campers will be using these skills to build, create, and inspire in an action-packed week with a surprise ending!

WEEK 5: LET'S CELEBRATE!

Campers will dive deep into the things which make them similar and that which makes them unique in this week of celebrations! The legends of camp will come to life in plays and skits written, created, and performed by campers.

WEEK 6: CRAZY CREATURES

This week will be filled with wild animals (real and imagined!) as campers discover what it means to take care of our planet. Older campers will convene a model UN to discuss how to handle the problem.

WEEK 7: COLOR CLASH

Campers compete for points throughout the week in various competitions and challenges, with a week-ending explosion of color that is sure to leave campers messy!

WEEK 8: BLIZZARD BEACH

From team building challenges to a Yeti hunt, this week may be the "coolest" one yet!

WEEK 9: ALIEN IMAGINARIUM

Campers will be put to the test as they spend two weeks saving camp from an alien invasion! Space lasers recommended; imagination is a must!

WEEK 10: SPORTS & SPIRIT

Campers will compete in a variety of traditional and silly sports, including a sport that they make of their own!

WEEK 11: SUMMER JUBILEE!

The final week of camp is a culmination of summer with a week ending award ceremony and end of summer celebration!
