2023 Snow Removal Contract

Addendum #1 – Issued 10/5/2023

1. Minimum response required = 3 trucks, (2) dedicated to the Gardens (1) dedicated to High Meadows.
2. Township guarantees a \$5,000.00 minimum payment, should billable services be less than \$5,000.00.

Notes from the Pre-Bid Meeting held 10/2/2023

1. Contact for this contract is Randy Maguire, Public Works Director and can be reached at 484-256-6574.
2. Contractors will be called by the Township to report when snowfall is 2-3 inches. Contractors will not be called in to salt only. Contractors will salt only as-needed when 2 or more Township trucks are unable to salt.
3. Prior years required a minimum response of (4) trucks. A 2-4” accumulation, with that number of trucks took approximately 5-6 hours to complete.
4. Maplewood Drive and Russell Avenue are the first roads to be cleared.
5. Contractors to call and report when routes are finished.
6. Resident calls and/or complaints about snow removal will be handled by the Township. If you have a logo on your truck, we recommend covering it so they do not call your offices.
7. The Contractor bears no liability for problems arising because plowing was not done sooner than 2” accumulation.
8. Cul-de-sacs – Snow should be pushed out to the edges, back as far as possible.

9. Contractor to report any damages immediately, such as knocking off manhole covers, hitting mailboxes with plow blades and/or trucks.

Addenda must be acknowledged with bid submission.
