

HELP US GET THE LEAD OUT

PENNSYLVANIA
AMERICAN WATER

IN PARTNERSHIP WITH

GREELEY AND HANSEN

Pennsylvania American Water is undertaking a project to identify what material each customer's water service line is made of - but we need your help. The project will consist of reviewing existing data and conducting field investigations such as the QR Code/Survey on the back. The information you provide will contribute to developing a public-facing web-based map showing this information.

3 EASY STEPS :

1. **SCAN QR Code BELOW** or visit:

TINYURL.COM/PAWCSURVEY

2. **FOLLOW instructions**, answer questions, and upload photo of your service line material.

3. **BE SURE** to include your name, address, and contact information, then click “SUBMIT” and you’re finished!
