The applicant shall reimburse the Township for all reasonable administrative and professional expenses, including but not limited to engineering and/or consultant fees. Prior to the filing of a preliminary plan, and prior to the filing of a final plan, the applicant shall pay to the Township the appropriate non-refundable filing fee and an escrow deposit to defray the professional expenses incurred by the Township in accordance with the fee schedule adopted by the Board of Supervisors. Thereafter, as the escrow deposit for expenses incurred is expended, the applicant shall make further deposits upon notice from the Township until approval of the Plan. Upon approval of the Final Plan, the Township shall refund any uncommitted portion of the deposit remaining after expenses incurred by the Township have been paid in full by the applicant. To the engineering and legal fees required to be paid to the Township by this part, there shall be added 15% as reimbursement to the Township of the costs incurred by the Township for the collection of such fees and the disbursement of the same to the Township Engineer and Solicitor. All current fees are covered under section 308 of the Amity Township Subdivision and Land Development Ordinance.
